Portree Super Matt Fir Green

The Glacier range includes High Gloss Acrylic and PVC which are laminated to create the perfect gloss or super matt finish. Components are then edged using the latest laser and PUR technology.

Ideally suited for the sleek modern kitchen, bedroom or bathroom, this range has the flexibility to contrast finishes and textures, with made to measure sizes available.

Shaker Lissa Oak

Made from toughened glass, Splashbacks can be as simple as a square behind a hob or fully fitted to an exact shape, precision cut around sockets and extractor units.

With our wide range of standard colours, you will find a shade to

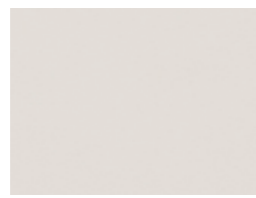

compliment every door in the range, or alternatively you can specify a match to the RAL colour chart.

Glass splashbacks provide the perfect finishing touch, adding style and practicality to both classic and contemporary kitchens.
